Tractor & Wagon- 5' x 9' x 5'H w/8' Slide

Medium Charlotte Castle - 8'x10'x13'H *Options shown: Upgrade to 3-post swing beam*

Our Old World Playsets will provide limitless opportunities for creative and imaginative play in your own backyard! These playsets are built using Wolmanized Natural Select Wood that is protected against termite damage and fungal decay. Wolmanized Wood has been treated to minimize the effects of moisture so wood stays straighter and flatter with less cracking. Dual mold inhibitors help prevent mold growth.

Do I Need a Foundation?

We Recommend a Level Crushed Stone Pad.

A Garden Time Prepared Stone Pad

- Provides even support
- Provides excellent drainage
- Minimizes splash back
- Is available in any size & shape.

A site prep done by Garden Time guarantees your building against settling for 10 years.

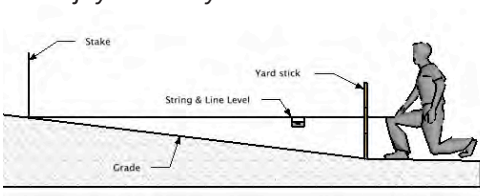
SITE PREPARATION

Garden Time Can Help! Price is determined by the size of your building and accommodates up to 6" out of level. We use 3/4" crushed stone to lay a 4" deep pad that extends one foot beyond all side walls. This will ensure better drainage around the shed. Sites more than 6" out of level are subject to additional charges to cover the cost of stone.

Even a challenging site will be prepared by our experienced staff If any additional charges are needed they will be submitted for your approval first.

How Level is My Site?

A level site is the most critical requirement for years of service and enjoyment of your shed.



1. Stake out your site (a stake at each corner 2' longer and wider than the building size)

2. Attach a string to the bottom of the stake that is at the highest elevation.

3. Attach level to string and tie string and make string level. Tie to stake at lowest elevation. Measure the distance from the string to the ground. This will tell you how much out of level your ground is.

CRUSHED STONE PAD PRICES

Shed Size	Pad Size	Price
8'x10'	10'x12'	$520
8'x12'	10'x14'	535

Do I Need a Permit?

Every town has different requirements. It is the customer's responsibility to obtain all necessary permits. Garden Time will gladly provide any building specs necessary. Building code officials will also be able to advise you on setback requirements for property lines.

SITE ACCESSIBILITY

Height Requirements:

Our delivery team requires 14' high clearance to access your site. Please consider any existing overhangs, overhead branches & wires within the path the delivery truck will take.

Width Requirements:

Our trailer is 8' 6" and we require 2-4' wider then your building for clearance.

An 8' wide building requires a drivable path of 10'W & 14'H

Friendly Reminders:

- Be sure all obstacles are removed before we arrive.
- Make sure the ground is firm enough to support our delivery vehicle.
- Please consider a location free of rock, ledge, stumps, large roots, wires and pipes.
- Advise Garden Time as to where you would like us to place any excavated material.

If you have any concerns about accessibility please contact one of our sales staff to

Schedule a Site Check.

Free Delivery

We offer FREE DELIVERY on orders over $1,500 within 50 miles of any of our four sales locations!

If you are further then 50 miles, the first 50 miles is free and a charge of $5 per mile one-way is charged for every additional mile.

If your order is under $1,500 we charge a fee of $75 plus $5 per mile one-way.

ABOUT DELIVERY

Most deliveries are done with a full size truck and a 20' trailer. Our drivers will always assess your site to decide on the best way to access it. Typically we will back onto your carefully prepared site and slide the shed off the rear of the trailer. Once your building has been unloaded, our driver will be sure the shed is situated properly on your pad, making sure all doors and windows work properly.

If you are not planning on being home for delivery, please be sure to mark where your building will go with the provided flags.
Final payment is due upon delivery.

We expect to complete all regular free deliveries within 45 minutes.

We Schedule Your Delivery Rain or Shine*

In the event of squishy, muddy conditions, you may wish to reschedule delivery to prevent getting stuck or creating ruts in your yard. * In NY

Limited Site Access

If your site has limited access, additional equipment may be required at an additional cost. Kits are also available with many of our buildings.

The Mule makes Limited Site Access Installation a Breeze. Rates start at $150

PAYMENT SCHEDULE

- Deposit: One-third of purchase price is due upon order placement
- Remainder of balance is due before or at time of delivery.
- Maximum total credit card purchases are not to exceed $15,000. Balances above that require cash or check.

RENT-TO-OWN

We offer a Rent-To-Own agreement with BLI Rentals. Please contact us for more information.

FINANCING

Contact us for our most current financing options

TRADE IN

Time to replace your old worn out, undersized shed? No problem. We'll take it on trade against a purchase of a new building. See sales associate for details.
