

Weathervanes

Garden Weathervanes are the perfect size for a shed, gazebo or small garage. (Approximately 24" high)

Standard Weathervanes are a bit larger and complement a garage, ranch style home or slightly larger building. (Approximately 36" high)

Estate Weathervanes are some of the largest copper weathervanes produced today. They are made for homes, barns, and commercial buildings. They are impressive weathervanes of distinction. (Approximately 48" high)
